Dear Mr. Koeper:

Enclosed is a copy of the site investigation report which mentions the 1982 MSD cleanup of asbestos waste along the bank of Maline Creek. As I mentioned in our recent phone conversation, this is largely the extent of the information EPA has on file regarding the cleanup. Any information you can provide would be greatly appreciated. If you have any questions, please call me at (913) 551-7695.

Sincerely yours,
